

## **Business Meeting 8/31/05**

### **New Business**

There was a discussion about giving respect to anyone / everyone in the group when they are speaking. When someone is speaking the rest of our members should remain silent, unless they have a question. After debating the topic around among members present; it was decided to create a fun, but necessary position in our group. The new position is: "Quartermaster". The name is a derivative of the penalty for speaking when one should be listening. The Quartermaster job will to be collect a quarter from any member who talks when a speaker is talking. Of course, common sense rule will prevail. Bob Snyder volunteered to be our first Quartermaster. Thank you Bob!

We also discussed the meeting schedule, and though it would be good for both speakers to be finished before lunch is served. If there are additional questions they can be asked while we are eating. Meeting agenda is posted on our site.

The group voted to buy a gift certificate for one of our members.

We also voted to donate \$250.00 to help the victims of hurricane Katrina.
